

BUSINESS CARD ORDER FORM

Professional looking business cards are an essential component of your business image when dealing with others. Whether you know it or not, your card communicates a great deal to others about you, and about the programs you represent.

So, to help you portray the most professional image possible, we created a standardized business card that is rich in appearance, with gold foil and elegant colors, yet inexpensive for you to purchase through our low, co-op pricing plan. By combining the orders of other consultants with your order, we're able to offer you a very expensive, impressive card at a fraction of what local printers charge.

When ordering your cards, please select one of the four standard selections shown below. Each style includes on the back the phrase *The finest compliment I can ever receive is a referral from my friends and customer acquaintances. Thank you.*, and on the front your name as signed on your USMR agreement, and the front may also include your nickname in "quotes" or (parentheses), your company name, your company position (i.e., CEO) or USMR title (i.e., Regional Manager); your address, your e-mail and/or web site address(es), and/or up to three contact numbers - phone, fax, toll free, cellular, pager, etc. You may include as much or as little contact information as you'd like. What you include is entirely up to you. Using a black or blue ballpoint pen, legibly print, or type the information requested on the back of this form exactly as the imprint is to read. Punctuation marks and spaces count as one character. Once again (please!) print legibly. Unreadable information may delay the processing of your order and we certainly don't want that!

The actual size of the imprinted information may vary depending upon the quantity of text. We reserve the right to correct obvious errors, but are not responsible for the accuracy of the information you have provided. We will do our best to avoid errors though.

Considering the personalized nature of the cards, we need your signature in the space provided, and ask that all orders be prepaid. To help avoid errors, we are unable to accept business card orders by telephone. If you're paying by check, we reserve the right to guarantee any check, which may require a credit verification.

Please remember that the "U.S. Mortgage Reduction, Inc." name and logo are our exclusive property. You may not use USMR's name and/or logo on stationery, business cards, forms, phone directories, answering machines, web sites, e-mail or materials of any type that you create, without advance written permission from USMR. (Sorry about the last line folks. Our attorneys made us do it! Thanks for your cooperation. We really do appreciate it.)
