

The State of Nevada requires you to have the enclosed "**NEVADA ADDENDUM**" signed by each Nevada resident who enrolls on the Equity Acceleration Program®, **BEFORE** the execution of the EAP Agreement is completed, or **BEFORE** the client issues payment to you for the enrollment, whichever occurs first. For your protection, we require you to provide a copy of the signed Addendum to client(s) and to USMR (attached to the Equity Acceleration Program Biweekly Enrollment application set) and to keep a copy for yourself. For your convenience, we have created a 3-on-a-page Addendum sheet. You may make additional photocopies of the Addendum sheets as needed. Please call the USMR Program Support Department at 772-225-3564 if you have any questions about this procedure. Thank you!
