Prices, weights, and item contents/appearance are subject to change without notice.

U.S. Mortgage Reduction, Inc.

TO COMPLETE THE ORDER FORM, please follow these simple steps.

1

Mailing Address: For fastest processing of your order, please complete all blanks. If your mailing address has changed, please sign in the space provided to update our computer files.

2

Ship To: A physical street address is required for U.P.S. delivery. We are unable to ship to a P.O. Box or to a temporary address. If your Shipping Address has changed, please sign in the space provided to update our computer files. (Please note, if you are paying by credit card, orders can only be shipped to the card's billing address.)

3

Products Ordered: List Item #, Qty (quantity), and Item Description for each item ordered. Calculate the "Total Ship Weight," then fill in the "Total Cost" info for each item on the order form (listed Price and Weight are 'per unit' costs, and each must be multiplied by the quantity ordered). Compute Total Shipping Amount using the Shipping Rates table on the bottom right of the order form.

4

Payment Information: Check method of payment. If more than one, check both.

Check. If you wish to pay by personal or business check and your order exceeds \$40.00, your shipment will be delayed for 10 business days to allow for check clearance. If this delay is inconvenient, you may pay by credit card, money order, C.O.D., or certified funds. If paying by check, please send your order with payment enclosed. We reserve the right to guarantee any check. If any check processing difficulties are experienced, a credit verification may apply.

Credit Cards. You may conveniently pay for supply orders using VISA, JCB CARD, MASTERCARD, AMERICAN EXPRESS, or DISCOVER. For each credit card used, please provide a Card #, Expiration Date, CID Code, Amount, Billing Address, Name on Card, and Signature of Cardholder. To process your order, it is vital that this information is provided. You may place a Credit Card Order by Mail or Fax, or by Phone or the Internet if the order is shipped to a cardholder whose signature and credit card billing address are currently on file with USMR.

Money Order or Certified Funds. To avoid the 10 business day waiting period for checks on mail orders over \$40, you may wish to pay by Money Order or Cashier's Check.

C.O.D. Orders. We can also ship your order C.O.D., provided the cost of the order does not exceed \$300 & the order is shipping by U.P.S. Blue (2nd Day Air). A C.O.D. fee (shown in the Shipping Rates table) will be added to the shipping costs for all C.O.D. orders. If the shipping charges, including the C.O.D. fee, exceed \$25, total shipping charges will need to be prepaid. We require that all C.O.D. shipments be paid to the carrier by Certified Funds. Also, for C.O.D. Orders, please fax us a copy of your certified bank draft, cashier's check or money order. Otherwise the C.O.D. shipping costs will need to be pre-paid by a credit card. You may place a C.O.D. order by Phone, Fax, Mail, or the Internet.

Phone, Fax, or Internet is Fastest. If you will be paying for your order by Credit Card or C.O.D., we encourage you to place your order by Phone, Fax, or the Internet. These orders will generally ship the same day as received.

Mail. If paying for your order by check or certified funds, you'll need to place your order by mail. You may also place Credit Card and C.O.D. orders by mail, but placing these orders by phone, fax, or online will expedite the shipment significantly.

Your Signature. To process mail or fax orders, please remember to include your signature in the bottom left corner of the order form. Phone and Internet orders are also subject to the terms and conditions contained herein.

Note: Prices and shipping fees are subject to change without notice.
